Warp It!

Warp It (Waste Action Reuse Portal) is an online tool to assist with re-using items. The portal allows you to repurpose equipment within your own organization and exchange any items you wish with public-sector, 3rd sector and business partners. The schools network puts schools and academies in touch with schools across the West Midlands.

So far, we have 611 members, and collectively they've managed to save:

- **£160k (in procurement and disposal costs).**
- **40 tonnes waste avoided.**
- **90 tonnes CO2 greenhouse gas emissions saved.**
- **121 trees equivalent or 40 cars off the road!**

What items can be reused through Warp It?

Any office item (including working from home); Furniture, stationery, electrical equipment (in compliance with PAT testing and fire safety), fixtures and fittings. So long as the item is <u>purely for work purposes</u>, then it can be transferred.

How do I register?

Please follow the links above depending on the type of organization:

- o [Town and Parish Councils sign up here](#)
- o [Schools sign up here](#)
- o [Charities sign up here](#)
- o [Further information for schools and not-for-profits here](#)
- o [Business Partners sign up here](#)
- o [Short instructional videos on how to list and claim items](#)

Hit the big green button which says 'register' now. Once you register, you'll get further instructions. You can browse items on Warp It by hitting the search button.

- Learn how to add an item [here](#).
- Learn how to claim an item [here](#).

If you want to know more about the system in general, go to www.getwarpit.com where there are examples of how the system is working well in other organisations. You can also check out the Frequently Asked Questions [here](#).

Please see our case study mention on the Warp It blog;
