

CAN YOU MAKE YOUR LUNCHBOX ZERO WASTE?

We can all do something to reduce our lunchbox waste.

Not everyone has the time or money to go fully eco with reusables and special products but even a lunchbox full of single use plastics can be saved from ending up in landfill and our oceans

DRINKS

Take a reusable bottle
OR
Recycle bottles and cartons at home

WRAPS & BAGS

Tin Foil: rinse, scrunch into a ball and recycle at home

Clingfilm & Sandwich Bags: rinse and take to supermarket

Food Boxes: great reusable option

FOOD WASTE

Put in your food waste bin or compost heap

PACKETS & WRAPPERS

Collect and drop off at your local supermarket
