

South Shropshire Climate Action

Privacy Policy

The personal information we collect

We collect and process the following information:

- First name and last name
- Email address
- Comments provided when completing one of our forms e.g. signing up to a working group (Transport, Energy & Buildings, Land & Biodiversity)

How your personal information is provided to us:

The personal information we process is provided to us directly by you for one of the following reasons:

- You opted-in to receive updates from South Shropshire Climate Action
- You signed up to one of our working groups (Transport, Energy & Buildings, Land & Biodiversity)

Under the UK GDPR, the lawful basis we rely on for processing this information is: Your consent – you are able to remove your consent at any time. You can do this by contacting SSCA@mea.org.uk

We may also collect and hold contact information that is available in the public domain for businesses and organisations.

How your personal information is used:

With your consent, we use the personal information you provide to us to:

- Send you emails about our SSCA news
